

Calidonia Way (Oban to Glencoe)

Calidonia Way (Oban to Glencoe)

Almost 2/3rd of this 34 mile route is now complete for off road cycling and walking, plus there are many cycling tracks in the forests of the Calidonia Way. (See the North Argyll Forest paths brochure). For Campers at Lagnaha there is also a track through the Duror Forest to Ballachulish, that allows a return trip along the coastal cycle route for most of the way.
